

## Privacy Policy

**Note:** Please review this Privacy Policy carefully.

This Privacy Policy explains our lawful basis for processing your Personal Data and includes information on who we are, what information we may collect from you, how we use or store it, the choices you have regarding our use of it, your ability to review and correct it and how to opt out from any of our services and/or from receiving any promotional material.

The data we may collect may be personal data about you or by which you can be identified e.g. your full name, address (email and/or postal), mobile number/MSISDN (mobile station integrated services digital network number) etc. (“**Personal Data**”) as well as other non-personal data for analytical purposes to monitor trends and statistical data, which may include: URL/internet protocol address, mobile device location, browser type, pages of the service accessed, viewed search terms, your online service behaviour e.g. subscriptions, product/service purchases, widget/app downloads, social media sharing, comments, reviews etc.

This Privacy Policy is supplemental to the terms and conditions for our service found at URL: <http://www.ifortuneapp.co.uk/> which form an integral part of this Privacy Policy.

### Who We Are

Buongiorno UK Limited, trading as “iFortune” (or “**we**” or “**us**” or “**our**”), is a limited liability company registered in England and Wales, with its address at: Buongiorno UK Ltd., PO Box 70730, London EC2P 2LQ, under company number 4101267 (the “**Company**”). The Company provides you with astrological forecasts, including, horoscope, love matches, tarot and palm readings that is accessible on your mobile device via the internet through our web application (the “**Web App**”), <http://www.ifortuneapp.co.uk/> (the “**Service**”).

“**You**” in this Privacy Statement means you as an individual and “**we**”, “**us**” or “**our**” in this Privacy Statement means the Company and/or the Data Controller.

### Privacy Commitment

We understand and recognise the importance of safeguarding any Personal Data received from our customers, so we have formulated this Privacy Policy to reflect our commitment to maintaining the confidentiality of any Personal Data received from you via your selected Service.

We respect your privacy and we will handle your Personal Data in an ethical manner. We ensure that we are compliant with the privacy and data protection laws in the UK as well as the General Data Protection Regulation (GDPR) (EU) 2016/679 (“**GDPR**”).

### Your Consent

In order to provide you with the Service, you hereby agree to us collecting, using and processing your Personal Data or other data you may provide as set out in this Privacy Policy and specifically, by subscribing to the Service, you agree that we may request your mobile phone number/ MSISDN (mobile station integrated services digital network number) from your MNO (mobile network operator) for the purposes of applying the charge(s) to your mobile phone account or providing customer support services relating to the Service.

You may at any time withdraw your consent to us collecting some of the Personal Data or other data you provided but this could limit your access to all or part of the Service.

### Lawful Basis for Processing

We process your Personal Data only when we have a lawful basis to do so. Presently, we use the performance of the contract and consent as the lawful basis for processing i.e. in order to deliver the Service to you, to provide you with customer support services and to enable us to send you commercial e-mails informing you about any

special promotions or newly available products/services similar to the ones you already purchased (“**Direct Marketing**”).

In certain cases, we may also process data where a legitimate interest is the basis for processing as provided under the GDPR and UK privacy and data protection laws. In some cases, we may also have a legal obligation to collect Personal Data from you, as explained in more detail below.

### **How Data is Collected and Used**

Every time you visit the Service our system automatically recognises the mobile device type used to communicate with us. Individual users will remain anonymous unless you tell us who you are. We will collect the following information: your mobile phone number/ MSISDN (mobile station integrated services digital network number), technical information, including the type of mobile phone you use, mobile network information, your mobile operating system and the type of mobile browser you use. Before you are able to fully access any of the content, the Web App or use the Service you will be required to subscribe to the Service via our Web App.

We may gather Personal Data to allow us to process your subscription to the Service, process any requests or payments you may make, administer your contract, process refunds, for customer services and communications with you, award prizes, provide marketing or promotional materials and certain data about your visit to the Service may be collected to help us improve the Service quality. We may also collect Personal Data so that you can access the online Service, monitor your usage of our Service and/or participation in online activities including reviews, testimonials or competitions, if any, or for other purposes outlined in this Agreement. We do not seek to collect sensitive data (also known as special categories) through this service or otherwise.

### **Children and Minors**

We do not knowingly collect or solicit Personal Data or other data from children and minors. Anyone under the age of 18 (eighteen) will not be knowingly allowed to register for the Service.

If you are under 18 (eighteen) please do not attempt to register for the Service or any part of it or send any Personal Data or other data to us. If you are a parent or guardian and you are aware that your child has provided us with Personal Data, please contact us immediately. In the event that we become aware or informed that we have collected Personal Data from anyone under the age of 18 (eighteen) without verification of parental consent, we will promptly delete such Personal Data from our servers.

### **Disclosures to Third Parties**

We will not rent, sell or share your Personal Data with other organisations or non-affiliated companies for commercial purposes unless you have expressly consented to this. However, by law or for regulatory reasons or at the request of an MNO (mobile network operator), we may have to reveal Personal Data to certain third parties if required to investigate or deal with any complaints relating to you or your use of the Service.

Your Personal Data may be revealed to other businesses within our group of companies and/or to reputable third parties who may help process your subscription to the Service or provide customer support services. If all or part of our business is sold, (whether by sale of shares or assets) or integrated with another business, your Personal Data may be disclosed to our professional advisers and any prospective purchasers and their advisers and will be passed on to the new owners of the business. Following completion of any such sale or transfer your Personal Data shall be disclosed to and transferred to such new owner or third party.

We will not disclose your Personal Data to third parties without first obtaining your consent, save when required by applicable laws and/or regulations or at the request of an MNO (mobile network operator). We confirm that the privacy and data protection practices of our third parties are consistent with ours to ensure maximum protection of your Personal Data. A complete list of the companies responsible for the data processing can be requested directly from the Company.

### **Applicable Retention Period**

The main use and storage periods of your Personal Data for the specific purposes of the processing are the following:

1. For the purposes of performing the contract, your Personal Data will be processed by us as the Data Controller for the entire term of the contract and until the date of expiration of all obligations connected to its performance, and will be stored for 7 (seven) years after that date for any purposes related to compliance with any legal obligations, accounting requirements and to allow the Data Controller to defend its rights;
2. For the purpose of complying with any legal obligations, your Personal Data will be processed and stored by the Company for as long as such processing is required to comply with those legal obligations;
3. With reference to any processing activities carried out for marketing purposes and based on a legitimate interest of the Data Controller or your consent, your Personal Data will be processed for the entire term of the contract and for a further 6-month period after its expiration or termination, unless you object to the processing or revoke your consent.

## Data Transfers

Your Personal Data shall principally be processed by the Data Controller within the European Economic Area (the European Union plus, Iceland, Norway and Liechtenstein) (“**EEA**”).

Your Data may be transferred to third parties, located outside of the European Economic Area that have been appointed as Data processor’s in order to manage the customer care service. If this is the case, we are committed to ensuring that appropriate safeguards are put in place in order to make sure that the level of protection of natural persons guaranteed by the GDPR is not undermined. In particular, such transfer may be carried out on the basis of the standard contractual clauses signed between us as the Data Controller and the Data Processor. In any case, you may request further information about the transfer of your Personal Data by contacting the Data Controller or the DPO. You may also require any evidence of the appropriate safeguards adopted.

By using our Service or by interacting with us in the ways described in this Privacy Policy, you consent to the transfer of your information outside the EEA in the circumstances set out in this Privacy Policy. If you do not want your information to be transferred outside the EEA, you should not use our Service.

## Your Rights

Whilst we are in possession of your Personal Data, you are entitled (in the circumstances and under the conditions, and subject to the exceptions, set out in applicable law) to:

1. Request access to the Personal Data: this right entitles you to know whether we hold Personal Data about you and, if we do, to obtain information on and a copy of that Personal Data.
2. Object to the Processing of Personal Data: this right entitles you to request that the Data Controller no longer processes Personal Data. You can contact us using the details in the Customer Information section below.
3. Request the erasure of Personal Data: this right entitles you to request the erasure of Personal Data from our records by contacting us using the details in the Customer Information section below;
4. Request portability of Personal Data: this right entitles Customer to receive a copy (in a structured, commonly used and machine-readable format) of Personal Data that administrators have provided to Company, or request Company to transmit such Personal Data to another data controller.
5. Request the restriction of the processing of Personal Data: this right entitles you to request that Company only processes Personal Data in limited circumstances, including with consent.
6. Request portability of Personal Data: this right entitles you to receive a copy (in a structured, commonly used and machine-readable format) of Personal Data that administrators have provided to Company, or request Company to transmit such Personal Data to another data controller.
